I had a very lame back. For three weeks was so I could not do any work. I took a great many medicines internally and had plasters applied to my back, but found no reliel. Having heard of the wonderful cure your Kidney Capsules had performed for Joseph Reinke, I bought one box, tried them and was more than pleased with the result. This is to certify that I had a lame back for three years, and I tried all kinds of plasters and cold hip baths, and medicines from different doctors, and got no relief until one day I thought I would try some of Dr. Deadman's Kidney Pills, and it helped me at once. I have given away over 28 worth of Pills to different people, and it has cured them all. I cannot say too much in praise of Dr. Deadman's Pills for lame back.
